MEMBERSHIP BENEFITS

The Media Arts & Literacy Institute is a membership-based organization. When you become a member of M.A.L.I., you are telling the populace that you support indie media and you are excited to be part of this cultural event. Moreover, you are also becoming part of a media organization that builds community and facilitates growth and empowerment. All the while, you'll be making new friends, having a good time and enjoying the chance to pre-purchase tickets at a discount price to the films, music and spoken word events you want to see!

Best of all, by joining, partial proceeds of your membership contribution will be designated for the **Blowin' Up A Spot! Production Fund**. This scholarship will be awarded to an emerging woman media maker that has or had a film showcased in the festival to support her upcoming production! Below, the collective has designated a number of different membership levels to fit any budget. Fill out the application and send in your membership fee* today!
